Greenslopes State School received (finalised
amount)**

\$122,775

Our full 2018 agreement can be found at: [Greenslopes State School Investing for Schools 2018](#)

Our school initiatives are on track to meet or exceed our targets

During 2018, we focused on maximising the benefits of this funding for our students. After reviewing our 2016 *Investing for Success* agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our initiatives to ensure that every student succeeds.

Initiatives implemented include:

- Purchase of additional support time for students from an EAL/D background
- Purchase of additional class time to support students in class
- Purchase of additional time to support students with increased Literacy/Numeracy support
- Focus on improved A – E outcomes in English through collegial classroom data conversations
- Identified students not improving and targeted teaching through a Case Management process
- Implemented strategies to assist teachers 'front end' assessment tasks, ensuring students understood the nature of the assessment task and what skills and knowledge are required to be successful
